John Leonardis, Belvidere

Meeting called to order at 6:30pm.

Secretary's Report: Warren Wilson motioned to accept October minutes; Ed Ryczek seconded.

Treasurer's Report: \$3,506.08 balance. All towns have paid their league fees.

Referee Coordinator's Report: Jack Baum's email address is Jackpack1@att.net. Asked that if coaches have a problem with an official, they email him the game number and specifics. Also if coaches have to change a game, he requests that they email him the old game number and the new time and location. New rules regarding foul shooting, for all levels except freshman, the bottom block cannot be used. Because of shortened foul shooting line for freshman, players will be able to use the bottom block.

Old Business: Select: 6 boys' teams and 4 girls' teams. Start Saturday, 1/10/09 and continue every Saturday (except 1/17/09 and 2/14/09) through 3/7/09. Select will have 7 games (1/10/09, 1/24/09, 1/31/09, 2/7/09, 2/21/09, 2/28/09, and 3/7/09) and no playoffs.

New Business:

Rescheduling of games: at this point master schedule can't be changed. If there is a conflict, coaches will need to sit down and agree on a convenient time for both teams to play game. League asks that games be rescheduled (not necessarily played) within one week of originally scheduled game. MAKE SURE TO EMAIL JACK BAUM (Jackpack1@att.net) changes including old game number.

Blirstown has a 6 game schedule due to a large number of teams and not enough gym time. They will try to make up remaining 4 games within the town and report scores to League. We'll talk about playoffs later, as current playoff seeding criteria (points against) won't work with 6 game schedule.

Snow out information: if one school is closed, all games will be cancelled. Information will be put on WCBL website, and Robin will contact Town Representatives by phone.

Next meeting December 16, 2008.

Meeting adjourned 7pm. Coaches meeting to follow.

Respectfully submitted,
Barbara Pisani
